Time to show off

With their new design and shock-resistant construction, these Baby-G models are guaranteed to catch the eye of more than just their wearer. Whether you're talking about the BG-169R series, which is water-resistant up to 20 bar, or the BGD models in their many cool colours, these Baby-Gs are guaranteed to be the stars of the show – wherever you plan to spend the summer.

A slim watch (9.9 mm), but big in every other respect: stainless-steel band, sapphire glass, Multiband 6 radio-controlled reception, Tough Solar technology and plenty more besides. The LIW-M1100DB-1AER: a radio-controlled watch which, in addition to the finest materials, high-quality manufacturing and exquisite design, leaves nothing to be desired in terms of technology, either.
