Radio Controlled Watches

Full titanium case

**3733 OCW-520TDE-1AVEF**

Titanium

Extremely slim radio-controlled watches for the business world: only 8.2 mm thin! Like these two WVA-M150 models in business look. Featuring high-grade materials like sapphire glass and full metal case, they look fantastic on any wrist.

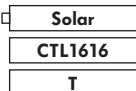

8.5 mm ultra slim case

Full metal case

**3039 WV-M400DE-7ER**

Stainless steel
