

CASIO SPORT

Exactly the right call for a referee: the "FairFootball" watch, with special referee functions like displaying the playing and injury time simultaneously, preset values for different playing times, a stop watch with variable stop intervals, vibration alarm, large-sized display, and more.

Personal trainer for runners: the PHYS CHR models with heart frequency display, fitness monitoring, and loads of other functions designed for competitive athletes. Includes a chest strap that transmits your data to the watch. The CHR-200 models deploy a secure data transmission mode to prevent the transmission of any outside data.
