

# EDIFICE

For men who like to be in step with time: EDIFICE watch models always reflect the latest trends. Through the combination of different shapes and colours with premium materials, EDIFICE watches underscore the individual style of modern men. And 2008 will see the launch of additional, particularly high-grade analogue watches and chronographs.

Stay on the safe side: just "fold" the tri-fold clasp together precisely and easily. The three clasp elements fit together securely and an integrated safety catch guarantees additional protection against unintentional opening. The tri-fold clasp also works with the resin watchbands in our EFD-1000 series.
